They're Chara and Flowey,

Yes, Chara and Flowey.

One is a flower (HEY!), the other's a psychopath! (Chara laughs)

They're long forgotten souls,

Who have too common goals!

They're Chara,

They're Chara and Floweye, e, e, e, e, flow-ey!

Before each night is done,

Their plans they will assert,

And when the barrier is gone,

They'll kill all life on Earth!

They're Chara and Flowey!

Yes Chara and Flowey!

They're Underground campaign,

Is easy to explain!

To prove their LV'ies worth,

They'll over throw the Earth!
